Dear Mr. Hergenroder:

On behalf of the board and staff of the Bay Area Food Bank, I would like to thank Mobicon for the donation of 1,340 pounds of food and \$4,500 in May 2009. 179 of the food drive pounds were collected from the Star Trek vs. Star Gate competition with Star Gate rising as the winner! The other 1,161 pounds of food was collected through the Dungeons and Dragons competition! Your contribution will help to provide numerous meals, through pantries, shelters and other charitable feeding organizations, to those struggling with hunger in our community.

Last year, the Bay Area Food Bank distributed more than 9 million pounds of food throughout our 24-county service area. The recent economic downturn has resulted in a 30% increase in requests for food assistance. It has also impacted the availability of food and the associated costs to secure it. This year, we plan to distribute 11 million pounds to help meet the increased needs. Your generosity will help us accomplish that goal.

Needed more than ever, the continuing support from Mobicon is deeply appreciated. To find out more about the Bay Area Food Bank's efforts and to sign up on our email list, please go to our website: www.bayareafoodbank.org.

Sincerely,

David W. Reaney
Executive Director

Thanks for another great year of help!
